**April 20, 2009**

Dear Valued Customer/Supplier,

Many of you have already heard that WM Berg is moving to a brand new 150,000 square foot state of the art facility in Cudahy, Wisconsin. This is near Rexnord's Corporate headquarters in Milwaukee (Berg has been part of Rexnord Industries for over 20 years.)

Berg will continue to have our own Sales, Marketing, Customer Service, Engineering, and Manufacturing operations. We will be sharing the building with Stearns (<http://stearns.rexnord.com>), another Rexnord business.

W.M. Berg Inc.  
5150 South International Drive  
Cudahy, WI 53110

In short, we'll be in a new facility - designed just for us - with operations dedicated to supporting & growing the WM Berg business. We will have production lines running in parallel over the summer so that our service levels are not impacted.

Our goal is to have all operations up and running at our new location by the end of September, 2009. We have transition teams in place to ensure a seamless move to Wisconsin.

Please call us if you have any questions at 1-800-232-2374.

Sincerely,  
*David W. Roth*
